Summary

Hi, I'm Vishwas Sehgal, a passionate and results-driven Graphic
Designer with 4+ years of experience in crafting visually compelling
designs that enhance brand identity and engagement. My expertise
spans Logo Design, Brand Identity, Social Media Creatives,
Packaging Design, and Web Design.

Currently, I'm pursuing an MBA in Digital Marketing and Strategy
from Chitkara University, complementing my Bachelor of Commerce
(BCom) from Public College, Samana, Patiala. Beyond design,
I specialize in Social Media Marketing (SMM), Meta Ads, Video
Editing, and SEO, allowing me to create content that not only looks
great but also drives engagement and conversions.

With a keen eye for aesthetics, a data-driven approach, and
a passion for storytelling, I help brands stand out in the digital
landscape. Always eager to learn and grow, I believe in working
hard to achieve my dreams. Let's connect and create something
impactful!
